Subject: Make sure cleanup protect jobs

Please support blue-collar workers by giving us a river cleanup plan that helps our industrial employers grow.

The EPA plan, from what I hear, will be fantastic for the river and wildlife. That makes me happy. That's what Portland and Oregon need. But I hope that you also make sure to come up with a flexible plan that also minimizes the cost impact on the businesses that work in the harbor.

Thanks for all you're doing to protect our river. It means a lot to people who live, work and play there. Its time to move forward so all citizens can use and enjoy the river.

Sincerely,
